Semi-annual:	52.00%
Quarterly:	26.50%
Monthly (Pre-authorized checking):	8.45%

Contract. Your policy is a legal contract that You have entered into with Us. You have paid the first premium and have submitted an application, a copy of which is attached. In return, We promise to provide the insurance coverage described in this policy.

The entire contract consists of:

1. This policy; and
2. The attached riders, if any, that add benefits to this policy; and
3. The attached endorsements, if any; and
4. The attached copy of Your application, and any attached amendments or attached supplemental applications.

Date of Issue. The Date of Issue of this policy is the date on which the first premium is due. The Date of Issue is also the date from which all policy years and anniversaries are determined.

Owner. The Owner is as stated in the application unless later changed. During the Insured's lifetime, the Owner may exercise every right this policy confers or We allow (subject to the rights of any assignee of record or irrevocable beneficiary). You may have multiple Owners of this policy. In that case, the authorizations of all Owners are required in Writing for all policy changes. The Owner may be the same as the Insured but does not have to be. If an Owner dies while this policy is in force and the Insured is living, ownership rights pass to the successor Owner documented in Our records, if any; otherwise ownership rights pass to the estate of the Owner.

PREMIUM PAYMENTS

Premium Payment. The first premium is due on the Date of Issue. Subsequent premiums for each Renewal Term Period are due on the first day of each Premium Payment Interval shown on the Policy Schedule. Each premium must be paid on or before its due date.

You may change the Premium Payment Interval for this policy, subject to Our rules at the time of change.

Where to Pay. You may make Your payments to Us at Our Administrative Center or to an agent authorized by Us to receive such payment. All premium checks must be made payable to the Company. A receipt signed by an officer of the Company will be furnished upon request.

Annual Life Insurance Premium. The Maximum Annual Life Insurance Premium is shown in the Table of Premiums and Face Amounts. We may charge an annual premium lower than the Maximum Annual Life Insurance Premium. No annual premium charge can be higher than the Maximum Annual Life Insurance Premium.

Right To Change Premium. We reserve the right to change the premium for this policy on the policy anniversary shown on the Policy Schedule and on any later policy anniversary, subject to the following terms:

1. The Annual Premium will not exceed the applicable Maximum Annual Life Insurance Premium shown in the Table of Premiums and Face Amounts.
2. Any change in premium for this policy will apply to all Insureds with the same policy benefits and provisions and with the same Date of Issue, Age at issue, Sex (if this policy was issued on a Sex Distinct basis) and Premium Class. We will not change the premium because of a change in an Insured's health, occupation or avocation.
3. Any change in premium for this policy will take effect only after 30 days prior notice has been given to the Owner of this policy.
4. Any change in premium for this policy will be based upon factors and considerations including, but not limited to, Our future expectations as to mortality, persistency, expenses, reinsurance costs, and any local, state and federal taxes. We will not change the premium in order to recoup any prior losses.

PREMIUM PAYMENTS (Cont'd)

5. Any change in premium for this policy will be determined in accordance with procedures and standards on file with the Interstate Insurance Product Regulation Commission.

This provision does not apply to any rider attached to this policy.

Grace Period. The Grace Period is the 31-day period that follows the due date of any premium other than the first premium.

Any payments sent by U.S. mail must be postmarked within the Grace Period in order to keep Your policy in force. If the amount of premium required to keep Your policy in force is not paid by the end of the Grace Period, this policy will terminate.

CHANGE IN FACE AMOUNT

The Face Amount of this Policy will change after the Level Premium Period. The Face Amount of this Policy on each policy year is shown in the Table of Premiums and Face Amounts.

DEATH BENEFIT

If the Insured dies before this policy's Termination Date shown on the Policy Schedule and while this policy is in force, We will pay the Death Benefit to the Beneficiary after We receive Due Proof of Death and proper written claim showing proof of the claimant's interest in the Death Benefit.

The Death Benefit will be equal to:

1. The Face Amount of the policy in the current policy year plus;
2. Any insurance on the Insured's life that is payable under any attached riders; less
3. Any premium amount due if the Insured's death occurs during the Grace Period; plus
4. Any part of a premium paid for coverage beyond the policy month in which the Insured dies; plus
5. Any interest as described in the Interest Payable on Death Benefit provision.

BENEFICIARY AND PROCEEDS

Beneficiary. The Beneficiary as named in the application, or later changed by You, will receive the proceeds upon the death of the Insured. Unless You have stated otherwise, proceeds will be paid as follows:

1. If any Beneficiary dies while the Insured is living, that Beneficiary's interest will pass to any other Beneficiaries of the Insured We determine are entitled to payment; or
2. If there is no Beneficiary upon the death of the Insured (and there is no provision to the contrary), proceeds will be paid in one lump sum to the Owner, if living; otherwise proceeds will be paid to the Owner's estate.

BENEFICIARY AND PROCEEDS (Cont'd)

Common Disaster. If We cannot determine whether a Beneficiary or the Insured died first in a common disaster, We will assume that the Beneficiary died first. Proceeds will be paid on this basis unless We receive Your Written request prior to the death of the Insured that provides otherwise.

Proceeds. Proceeds mean the amount payable on the Insured's death.

The proceeds payable on the Insured's death will be the Death Benefit, after refunding any premium received on or after the date of death and will be subject to the other provisions of the Beneficiary and Proceeds section.

All proceeds are subject to the provisions of the Payment Options section and the other provisions of this policy. Full payment of policy proceeds to the person(s) designated to receive such policy proceeds discharges Us from all claims.

Due Proof of Death. Due Proof of Death means any written proof which includes a copy of the death certificate or other lawful evidence providing equivalent information.

CHANGE OF OWNERSHIP OR BENEFICIARY

You may change the Owner or the Beneficiary at any time during the lifetime of the Insured unless the previous designation provides otherwise. However, an irrevocable beneficiary cannot be changed without the written consent of such irrevocable beneficiary. To do so, send a Written request to Our Administrative Center. The change will go into effect when We have received the change. However, after the change is received, it will be deemed effective as of the date You signed the Written request for change, unless You specify otherwise. The change will be subject to any payment made or action taken by Us before We receive the request.

PAYMENT OPTIONS

Proceeds are payable in one sum. Instead of being paid in one sum, all or part of the proceeds may be applied under any of the Payment Options described below. In addition to these options, other methods of payment may be chosen with Our consent. The amount applied to purchase a Payment Option will not be less than would be provided by immediate annuity purchase rates offered by the Company at the time the Payment Option payments are to begin.

The monthly payment for each $1,000 of proceeds applied to purchase a Payment Option will be furnished upon request.

Payment Contract. When proceeds become payable under a Payment Option, a Payment Contract will be issued to each payee. The Payment Contract will state the rights and benefits of the payee. It will also name those who are to receive any balance unpaid at the death of the payee.

Election of Options. The Owner may elect or change any Payment Option while the Insured is living, subject to the provisions of this policy. This election or change must be In Writing. Within 60 days after the Insured's death, a payee entitled to proceeds in one sum may elect to receive proceeds under any option, subject to the limitations stated in the "Availability of Options" provision.

Option 1. Payments for a Specified Period: Equal monthly payments will be made for a specified period.

Option 2. Payments of a Specified Amount: Equal monthly payments of a specified amount will be made. If You select this Payment Option each payment must be at least $60 a year for each $1,000 of proceeds applied. Payments will continue until the amount applied, with interest, has been paid in full.

Option 3. Payments for Life with Period Certain: Equal monthly payments will be made for a specified period, and will continue after that period for as long as the payee lives. The specified period may be 10, 15 or 20 years. If issued on a Sex Distinct basis, payments are calculated based on the Annuity 2000 Male or Female Tables adjusted by projection scale G (adjusted by 50% of projection scale G for females and 100% of projection scale G for males) for 20 years. If issued on a Unisex basis, payments are calculated based on the Annuity 2000 Male and Female Tables adjusted by projection scale G (adjusted by 50% of projection scale G for females and 100% of projection scale G for males) for 20 years, with Unisex rates based on 40% female and 60% male.

Option 4. Proceeds Left at Interest: Proceeds may be left on deposit for any period up to 30 years. Interest earned on the proceeds may be:

1. Left on deposit to accumulate with interest; or
2. Paid in installments at the rate for each $1,000 of proceeds of $10.00 annually, $4.99 semiannually, $2.49 quarterly or $0.83 monthly.

Upon the death of the payee, or at the end of the specified period, any balance left on deposit will be paid in a lump sum or under Options 1, 2 or 3.

Interest Rates. Proceeds held under all Payment Options receive interest at Our current rate for funds left on deposit, which will be no less than the guaranteed rate. The annual effective guaranteed rate of interest for proceeds held under all Payment Options is shown on the Policy Schedule. We may use a higher rate of interest. We determine the higher rate.

Payments. The first payment under Options 1, 2 and 3 will be made when the claim for settlement has been approved. Payments after the first will be made according to the manner of payment chosen. Interest under Option 4 will be credited from the date of death and paid or added to the proceeds as provided in the Payment Contract.

Availability of Options. If the proposed payee is not a natural person, payment options may be chosen only with Our consent.

If this policy is assigned, We will have the right to pay the assignee in one sum the amount to which the assignee is entitled. Any balance will be applied according to the option chosen.

The amount to be applied under any one option must be at least $2,000. The payment elected under any one option must be at least $20. If the total policy proceeds are less than $2,000, payment will be made in one lump sum.

Evidence That Payee is Alive. Before making any payment under a Payment Option, We may ask for proof that the payee is alive. If proof is requested, no payment will be made or considered due until We receive proof.

PAYMENT OPTIONS (Cont'd)

Death of a Payee. If a payee dies, any unpaid balance will be paid as stated in the Payment Contract. If there is no surviving payee named in the Payment Contract, We will pay the estate of the payee:

1. Under Options 1 and 3: The value of the remaining payments for the specified period as of the date We receive Written notification of death, discounted at the rate of interest used in determining the amount of the monthly payment.

2. Under Options 2 and 4: The balance of any proceeds remaining unpaid with accrued interest, if any.

Withdrawal of Proceeds Under Options 1 and 2. If provided in the Payment Contract, a payee will have the right to withdraw the entire unpaid balance under Options 1 and 2. Under Option 1, the amount will be the value of the remaining payments for the specified period discounted at the rate of interest used in determining monthly income. Under Option 2, the amount will be the entire unpaid balance.

Withdrawal of Proceeds Under Option 4. A payee will have the right to withdraw proceeds left under Option 4 subject to the following rules:

1. The amount to be withdrawn must be $500 or more; and

2. A partial withdrawal must leave a balance on deposit of $1,000 or more.

Withdrawals May Be Deferred. We may defer payment of any withdrawal for up to 6 months from the date We receive a withdrawal request.

Assignment. Payment Contracts may not be assigned.

Change in Payment. The right to make any change in Your manner of payment is available only if the Payment Contract provides for a change in payment.

Claims of Creditors. To the extent permitted by law, proceeds will not be subject to any claims of a payee or a Beneficiary's creditors.

GENERAL PROVISIONS

Changing the Terms of Your Policy. Any change in Your policy must be approved in writing by the President, a Vice President, an Administrative Officer or the Secretary of the Company. No agent has the authority to make any changes or waive any of the terms of Your policy.

Assigning Your Policy. During the lifetime of the Insured, unless restricted by federal tax law, You may assign this policy as security for an obligation. We will not be bound by an assignment unless it is received In Writing at Our Administrative Center. Your rights and those of any other person referred to in this policy will be subject to the assignment. The assignment, unless You specify otherwise, will take effect on the date that You signed the notice of assignment, subject to any payments made or actions taken by Us before We receive such assignment. We will not be responsible for the validity or tax consequences of any assignment.

Incontestability. We rely on the statements made in the application for this policy and any amendments of applications, supplemental applications, and applications for any reinstatements. These statements, in the absence of fraud, are considered representations and not warranties. No statement may be used in defense of a claim under this policy unless it is in such applications attached to this policy.

We cannot contest this policy after it has been in force during the Insured's lifetime for two years from the Date of Issue. If this policy is reinstated, We cannot contest this policy during the Insured's lifetime after it has been in force for two years from the date of such reinstatement.

Exceptions:

We can contest a reinstatement for a two-year period following the date of such reinstatement solely on the basis of the information furnished in the application for such reinstatement.

If all or part of this policy is converted to a new policy before the two-year contestable period has expired, the remaining contestable period will apply to the amount of death benefit under the new policy attributable to the part of this policy that was converted.

The two-year contestable limitation does not apply to benefits provided by any disability or accidental death benefit rider, or to the nonpayment of premium.

Suicide Exclusion. If the Insured takes his or her own life, while sane or insane, within two years from the Date of Issue or the date We approve Your reinstatement application, We will limit the Death Benefit to the premiums paid. If all or part of this policy is converted to a new policy, the remaining part of the original two year suicide exclusion on this policy will apply to the new policy.

Age or Sex Incorrectly Stated (Age Incorrectly Stated if Issued on a Unisex Basis). If the: (1) age or sex of the Insured (if this policy was issued on a Sex Distinct basis); or (2) age of the Insured (if this policy was issued on a Unisex basis) has been misstated to Us, We will adjust the Death Benefit on the date of death to that which the most recent premium paid would have purchased.

Conformity With Interstate Insurance Product Regulation Commission Standards. This policy was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission Standards. Any provision of this policy that is in conflict with Interstate Insurance Product Regulation Commission Standards for this product type is hereby amended to conform to the Interstate Insurance Product Regulation Commission Standards for this product type as of the provision's effective date.

No Dividends. This policy will not pay dividends. It will not participate in any of Our surplus or earnings.

1. Any date on which You request that this policy be terminated; or
2. The date on which the Insured dies; or
3. The date on which the Grace Period ends; or
4. The Termination Date of the Last Renewal Term Period shown on the Policy Schedule; or
5. The date on which the current term period terminates if this policy is not renewed for a subsequent term period; or
6. The date on which this policy is wholly replaced by a new policy issued by Us.

Reinstatement. "Reinstating" means placing Your policy in force after it has terminated at the end of the Grace Period. We will reinstate this policy if We receive:

GENERAL PROVISIONS (Cont'd)

3. Payment of the premium for the Grace Period with interest at the rate of 6% per year compounded annually plus the premium due for the current policy month.

If a person other than the Insured is covered by an attached rider, coverage will be reinstated according to that rider.

Rights Reserved By Us. Upon notice to You, this policy may be modified by Us, if such modification is necessary as required by the Internal Revenue Code or by any other applicable law, regulation or interpretation in order to continue treatment of this policy as life insurance.

When required by law, We will obtain Your approval of changes and We will obtain approval from any appropriate regulatory authority.

Correspondence. Any request, notice or proof shall be filed with Our Administrative Center.

Policy Settlement. In any settlement, We may require the return of this policy.

Interest Payable on Death Benefit. Interest is paid on the Death Benefit as follows:

1. Interest will accrue and be payable from the date of death.

2. Interest will accrue at the rate or rates applicable to this policy for funds left on deposit. In determining the effective annual rate or rates, We will use the rate in effect on the date of death.

3. Interest will accrue at the effective annual rate determined in item 2 above, plus additional interest at a rate of 10% annually beginning with the date that is 31 calendar days from the latest of items a, b and c below to the date the claim is paid, where it is:

    a. The date that Due Proof of Death is received by the Company;

    b. The date the Company receives sufficient information to determine its liability, the extent of the liability, and the appropriate payee legally entitled to the proceeds; and

    c. The date that legal impediments to payment of proceeds that depend on the action of parties other than the Company are resolved and sufficient evidence of the same is provided to the Company. Legal impediments to payment include, but are not limited to: (1) the establishment of guardianships and conservatorships; (2) the appointment and qualification of trustees, executors and administrators; and (3) the submission of information required to satisfy any state and federal reporting requirements.

RE-ENTRY OPTION

If a renewable level term policy is made available by Us at the Attained Age of the Insured at re-entry, then this option will be available.

This option is available only on the policy Anniversary shown on the Policy Schedule. We agree to exchange this policy for a new renewable level term life insurance policy on the life of the Insured. We will require evidence of insurability satisfactory to Us. Such evidence will be paid for by Us and will be based on Our then current underwriting rules.

RE-ENTRY OPTION (Cont'd)

Exchange will be subject to the following conditions:

1. A properly completed application must be submitted to Us within 60 days prior to the date of exchange, along with payment of the initial premium for the new policy.

2. This policy must be in force and all premiums due prior to the date of exchange must be paid. Insurance under this policy will cease when this policy is exchanged.

3. The Age at issue for the new policy will be the Attained Age of the Insured under this policy on the date of exchange.

4. The new policy will be on the same plan of insurance as this policy or, if such plan is not available, on a plan of insurance made available by Us that We determine to be reasonably similar to this plan. Alternatively, the Owner may elect any other plan, if available, with a shorter renewable term period then being issued on this policy form. The Date of Issue of the new policy will be the date of exchange. The Face Amount of the new policy may not exceed the Initial Face Amount of this policy and must meet or exceed the minimum then in effect for the plan elected.

5. Any benefits or riders in force under this policy on the date of exchange will be included in the new policy and will be subject to Our then current rules and rates.

6. The new policy, excluding any accidental death rider, will not have a suicide exclusion provision.

7. The contestable period of the new policy will start on the date of exchange, with respect to the evidence of insurability used to qualify the Insured for the new policy. However, We may contest only the difference between the face amount of the new policy and the face amount that the premium for the new policy, excluding the premium for any riders, would have purchased on the date of exchange had this policy remained in force.

8. The premium rates for the new policy will be Our then current rates applicable to a new purchase of the plan elected.

CONVERSION AND RENEWAL PROVISIONS

Conversion Option. We agree to convert all or part of this policy to a new policy on the life of the Insured. We will not require evidence of insurability.

You must submit a written application and pay the first premium for the new policy:

1. While the Insured is alive;

2. While this policy is in force; and

3. Before the Conversion Expiry Date for this policy shown on the Policy Schedule.

You must submit this policy for cancellation.

However, if You convert less than the Face Amount of this policy in the current policy year, You may continue the unconverted Face Amount under this policy if it is at least as much as the Minimum Face Amount shown on the Policy Schedule. The premiums for this policy thereafter will be the same as the premiums that would be payable if it had been originally issued for the unconverted Face Amount.

New Policy. You may select the plan and amount of insurance for the new policy. The plan must be:

1. A permanent individual life insurance plan;

2. A plan that is then regularly issued at the Insured's Attained Age, Premium Class of the new policy and for the amount of insurance selected; and

3. Issued by Us or by one of Our affiliated companies and made available to Our policyowners for conversion purposes.

You may elect from all policies made available by Us for conversion purposes, whether issued by Us or by one of Our affiliated companies, the policy to which You wish to convert.

The amount of insurance cannot be more than the Face Amount of this policy in the current policy year or less than the minimum face amount for the plan selected.

The premium for the new policy will be determined by Our published rates, or by the published rates of Our affiliated company if You convert to such a company's available plan, for the Insured's Attained Age and the Premium Class of the new policy.

The Premium Class of the new policy will be the same as the Premium Class of this policy. If the plan and amount selected are not available in that Premium Class at the Insured's Attained Age, the Premium Class will be the Premium Class which We, or Our affiliated company if applicable, determine to be the most nearly comparable.

The suicide and contestable periods of the new policy will be measured from the Date of Issue of this policy.

The new policy will not include any riders unless agreed to by Us or Our affiliated company, if applicable.

Renewal Option. If this policy is in force on the Termination Date for the Level Premium Period, You may renew it for a Renewal Term Period of one year. If this policy is in force on the termination date for each subsequent Renewal Term Period, You may renew it for similar successive Renewal Term Periods of one year until the Termination Date of the Last Renewal Term Period shown on the Policy Schedule. Any renewal of this policy will be effective as of the renewal date if the first renewal premium is paid on such date or within a Grace Period of 31 days thereafter.

The amount of the premium payable during each Renewal Term Period is shown in the Table of Premiums and Face Amounts.

We will automatically renew this policy on any renewal date if premiums for this policy are being waived for total disability. We will continue to waive premiums during the Renewal Term Period, subject to the terms of a waiver of premium rider.

AMERICAN GENERAL LIFE INSURANCE COMPANY

TERMINAL ILLNESS ACCELERATED DEATH BENEFIT RIDER

This Rider is issued as part of the Policy to which it is attached.

IF YOU RECEIVE AN ACCELERATED BENEFIT YOUR DEATH BENEFIT WILL BE REDUCED. RECEIPT OF ACCELERATED BENEFIT PAYMENTS MAY BE TAXABLE. YOU SHOULD CONTACT YOUR PERSONAL TAX ADVISOR FOR SPECIFIC ADVICE BEFORE EXERCISING THIS BENEFIT. PAYMENTS RECEIVED UNDER THIS TERMINAL ILLNESS ACCELERATED DEATH BENEFIT RIDER ARE NOT PART OF A HEALTH, LONG TERM CARE, OR NURSING HOME INSURANCE POLICY AND MAY NOT BE SUFFICIENT TO COVER MEDICAL, NURSING HOME OR OTHER BILLS.

ALL PROVISIONS OF THE POLICY THAT DO NOT CONFLICT WITH THE RIDER APPLY TO THIS RIDER. WHERE THERE IS ANY CONFLICT BETWEEN THE RIDER PROVISIONS AND THE POLICY PROVISIONS, THE RIDER PROVISIONS PREVAIL.

Accelerated Benefit (AB). While the Policy to which this Rider is attached is in force, You may request an AB if the Insured has a Terminal Illness as defined below. Only the Insured under the base Policy is covered by this Rider. An AB is an amount paid to You, or Your estate, prior to the death of the Insured. The AB payment may be used for any purpose. No AB will be payable on the basis of any other rider attached to the Policy. Only one AB is payable under this Rider or any other accelerated benefit rider attached to the Policy.

Terminal Illness. A Terminal Illness is an illness that is expected to result in the death of the Insured in 24 months or less from the date of the request for the AB. Before any AB is paid under this Rider, We will require You to provide proof, satisfactory to Us, of the Insured's Terminal Illness.

Physician. The term “Physician” (as defined in section 1861(r)(1) of the Social Security Act) means a doctor of medicine or osteopathy legally authorized to practice medicine or surgery by the state in which he or she performs such function or action. Physician does not mean:

1. You; or
2. The Insured; or
3. A person who lives with You or the Insured; or
4. A person who is an Immediate Family Member.

Immediate Family Member. The term "Immediate Family Member" means Your or the Insured's:

1. Spouse; or
2. Parents; or
3. Brother and sisters; or
4. Children by blood, adoption or marriage.

Terminal Illness Benefit Amount. The maximum AB amount that You may request is the lesser of A or B where:

A equals the Specified Amount multiplied by the Terminal Illness Percentage shown on the Policy Schedule; and

B equals the Maximum Benefit Amount shown on the Policy Schedule.

The AB amount payable is equal to:

1. The amount of the AB You requested; less
2. The sum of any outstanding loans and accrued loan interest; less
3. An administrative fee, not to exceed the Maximum Administrative Fee shown on the Policy Schedule.

This amount will be paid to You in a lump sum.

Interest. After payment of the Terminal Illness Benefit, interest will accrue daily on paid out benefits at an annual effective interest rate. Interest on the lien described in the Impact on Policy Values provision will be payable in advance on each policy anniversary. For the portion of the lien up to and including the Cash Value of the Policy on the date the AB is paid, the interest rate, set by Us on the date the AB is paid and thereafter adjusted, will be no more than the policy loan interest rate stated in the Policy. We will determine at the end of each calendar year the interest rate for the amount of the lien in excess of such Cash Value on the date the AB is paid. Such rate will be effective on the policy anniversary occurring in the following calendar year.

The maximum interest rate for the portion of the lien in excess of the Cash Value of the Policy on the date the AB is paid will not exceed the greatest of:

1. The current yield on 90-day U.S. Treasury Bills; or
2. The Moody's Corporate Bond Yield Average – Monthly Average Corporates (hereafter referred to as "Moody's Bond Yield Average") for the month of October preceding the calendar year for which the loan interest rate is determined; or
3. The interest rate used to calculate Cash Values under the Policy during the period for which the interest rate is being determined, plus 1%.

If the Moody's Bond Yield Average is discontinued or if its composition or calculation is changed, or if We are unable to secure a license to continue using it, We may substitute a comparable average or index, subject to approval by the Interstate Insurance Product Regulation Commission (IIPRC). Before an alternative rate is used, We will provide notification in writing to You at Your last known address and to the assignee(s) of record, if any, at the last known address of the assignee(s). Any change in the interest rate will be subject to the following:

1. No change in the interest rate will be made unless the difference in rates is one-half (½) percentage point or more.
2. If the difference is one-half (½) percentage point or more and the legal maximum interest rate is lower, We will lower the interest rate to be equal to or less than the legal maximum interest rate.

3. If the difference is one-half (½) percentage point or more and the legal maximum interest rate is higher, We may increase the interest rate by at least one-half (½) percentage point but not more than the legal maximum interest rate.

We will notify the Owner of the initial interest rate. If there is a benefit that has been paid on the Policy, We will give the Owner advance notice of any increase in the interest rate.

Impact on Policy Values. The AB plus accrued interest on the AB will be treated as a lien against the Policy's Death Benefit Amount. There will be no reduction or lien against any term or accidental death benefit riders attached to the Policy. Once a lien has been established it cannot be repaid. The DEATH BENEFIT AMOUNT WILL BE REDUCED by the amount of the AB plus accrued interest on the AB and the sum of any other outstanding loans plus accrued loan interest made after the AB is paid.

The Cash Value available for full and partial surrenders or additional loans will be the amount by which (1) exceeds (2) where:

(1) Is the Cash Value less the sum of outstanding loans; and

(2) Is the sum of the AB plus accrued interest on the AB.

The POLICY AND THIS RIDER WILL TERMINATE and NO DEATH BENEFIT WILL BE PAID if the AB plus accrued interest on the AB and the sum of any other outstanding loans plus accrued loan interest exceed the Death Benefit Amount of the Policy.

Effects of AB Payments. You should consider that receiving or having the contractual right to receive an AB may affect Your eligibility for Medicaid, supplemental security income (SSI), or other government benefits or entitlements. **You are advised to contact the Medicaid Unit of Your local Department of Public Welfare and Social Security Administration for more information. If You initiate an AB claim during the contestability period of the Policy to which this Rider is attached, a rescission of the entire Policy may result if any material misrepresentation of any information was made on the insurance application for the Policy.**

Prior to or concurrent with the election to accelerate the policy death benefit, You and any irrevocable beneficiary will be given a statement demonstrating the effect of the acceleration of the payment of the death benefit on the cash value, death benefit, premium, cost of insurance charges, and policy loans (including Policy liens) of the particular policy to which this Rider is attached.

Not Contestable after Two Years. We will not contest payment of an AB after the Policy to which this Rider is attached has been in force during the Insured's lifetime for 2 years from the Date of Issue of the Policy. If the Policy to which this Rider is attached is reinstated, this Rider will not be contested after it has been in force during the Insured's lifetime for 2 years following the date We approve Your reinstatement application.

Suicide Exclusion. If You exercise Your right to an AB payment and the Insured subsequently commits suicide, while sane or insane, within 2 years from the Date of Issue or the date We approve Your reinstatement application, the amount payable will be that described in the Suicide Exclusion provision of the Policy less any AB and accrued interest, and may be zero.

Reinstatement. If the Policy and this Rider terminate at the same time, and the Policy is reinstated, this Rider will also be reinstated, subject to evidence of insurability provided to Us.

Conditions. The AB will be subject to the following conditions:

1. Written consent by any irrevocable Beneficiary or assignee must be received by the Company before the AB payment is made.
2. We reserve the right to obtain a second medical opinion from a Physician and/or additional medical records of the Insured at Our expense. In the event of conflicting opinions, eligibility for benefits shall be determined by a third medical opinion from a Physician who is mutually acceptable to both the Insured and the Company.
3. This benefit is not intended to allow third parties to cause You to involuntarily access the policy proceeds payable to the named Beneficiary. Therefore, the AB will not be available if You are required to request it for any third party, including any creditor, governmental agency, trustee in bankruptcy or any other person or as the result of a court order.
4. The request must be submitted to the Company. Upon receipt of the request, We will mail a claim form to You within 15 working days. If the claim form is not sent within this 15-day period, and You provide proof that the Insured has a Terminal Illness in a format other than Our claim form, You will be deemed to have complied with the claim requirement.
5. Proof of a Terminal Illness must include, but is not limited to, a completed claim form and a statement signed by a Physician certifying that the Insured has been diagnosed with a Terminal Illness that will result in a life expectancy of 24 months or less. When We receive proof acceptable to Us, We will pay the AB immediately.
6. If the Insured dies after a request for an AB has been submitted and before You receive the AB payment, such request will be voided and the policy's Death Benefit will be payable, subject to all other Policy provisions.

Termination. This Rider will terminate upon the earliest of:

1. The date the Policy terminates for any reason; or
2. The date the AB plus accrued interest on the AB and the sum of any other outstanding loans plus accrued loan interest exceed the Death Benefit Amount of the Policy. In this case coverage under both the Policy and this Rider will terminate; or
3. Upon Your Written request that this Rider be terminated.

Termination of this Rider shall not preclude the payment of benefits if the covered loss is sustained and all of the requirements in the Conditions provision are met while this Rider is in force.

The effective date of this Rider is the Date of Issue of the Policy.

Agreement, Authorization to Obtain and Disclose Information and Signatures

I, the Primary Proposed Insured (and any Owner or Other Proposed Insured signing below) acknowledge that I have read the statements contained in this application and any attachments or they have been read to me. My answers to the questions in this application are true and complete to the best of my knowledge and belief. I understand that this application: (1) consists of Part A, Part B, and if applicable, related attachments including certain questionnaire(s), supplement(s) and addendum(s); and (2) is the basis for any policy and any rider(s) issued. I understand that no information about me will be considered to have been given to the Company by me unless it is stated in the application. I agree to notify the Company of any changes in the statements or answers given in the application between the time of application and delivery of any policy. I understand that any misrepresentation contained in this application and relied on by the Company may be used to reduce or deny a claim or void the policy if: (1) such misrepresentation materially affects the acceptance of the risk; and (2) the policy is within its contestable period.

Except as may be provided in any Limited Temporary Life Insurance Agreement ("LTLIA"), I understand and agree that, even if I paid a premium, no insurance will be in effect under this application or under any new policy or any rider(s) that may be issued by the Company unless or until all three of the following conditions are met: (1) the policy has been delivered and accepted; (2) the full first modal premium for the issued policy has been paid; and (3) there has been no change in the health of any Proposed Insured(s) that would change the answer to any question in the application before items (1) and (2) in this paragraph have occurred. I understand and agree that, if all three conditions above are not met: (1) no insurance will be in effect; and (2) the Company's liability will be limited to a refund of any premiums paid, regardless of whether loss occurs before premiums are refunded.

If I have received and accepted the LTLIA, I understand and agree that such insurance is available only on the life of the Primary Proposed Insured under the life policy (and the Other Proposed Insured under a joint and survivorship life policy, if applicable) and only if the conditions set forth in the LTLIA are met. I understand and agree that such temporary insurance is not available as to any riders or any accident and/or health insurance.

I understand and agree that no agent is authorized to accept risks or pass upon insurability, make or modify contracts, or waive any of the Company's rights or requirements.

I have received a copy of or have been read the Notices to the Proposed Insured(s).

I authorize any medical professional; any hospital, clinic or other health care facility; any pharmacy benefit manager or prescription database; any insurance or reinsurance company; any consumer reporting agency or insurance support organization; my employer; the Medical Information Bureau (MIB); or any other person or organization that has any records or knowledge of me or my physical or mental health or insurability, or that of any minor child for whom application for insurance is being made, to disclose and give to the Company, its legal representatives, its affiliated service companies, and its affiliated insurers all information they have pertaining to: medical consultations; treatments; surgeries; hospital confinements for physical and/or mental conditions; use of drugs or alcohol; drug prescriptions; or any other information concerning me, or any minor child for whom application for insurance is being made. Other information may include, but is not limited to, items such as: personal finances including credit as permitted; habits; hazardous avocations; motor vehicle records from the Department of Motor Vehicles; court records; or foreign travel, etc.

I understand that the information obtained will be used by the Company to determine: (1) eligibility for insurance; (2) eligibility for benefits under an existing policy; and (3) verification of answers and statements on this application. I further authorize the Company to conduct a media or electronic search on me. Any information gathered during the evaluation of my application may be disclosed to: other insurers to whom I may apply for coverage; reinsurers; the MIB; other persons or organizations performing business or legal services in connection with my application or claim; me; any physician designated by me; or any person or entity required to receive such information by law or as I may further consent.

I, as well as any person authorized to act on my behalf, may, upon written request, obtain a copy of this consent. I understand this consent may be revoked at any time by sending a written request to the Company, Attn: Underwriting Department at P.O. Box 1931, Houston, TX 77251-1931. This consent will be valid for 24 months from the date of this application or for such other period permitted by applicable state law where the policy is issued. I agree that a copy of this consent will be as valid as the original. I authorize the Company, its affiliated insurers, and its affiliated service companies to obtain an investigative consumer report on me. I understand that I may: (1) request to be interviewed for the report; and (2) upon written request, receive a copy of such report.

☐ Check if you wish to be interviewed.

LIFE INSURANCE BUYER'S GUIDE

This guide can help you when you shop for life insurance. It discusses how to:

- Find a Policy That Meets Your Needs and Fits Your Budget
- Decide How Much Insurance You Need
- Make Informed Decisions When You Buy a Policy

Prepared by the National Association of Insurance Commissioners

The National Association of Insurance Commissioners is an association of state insurance regulatory officials. This association helps the various Insurance Departments to coordinate insurance laws for the benefit of all consumers.

This Guide Does Not Endorse Any Company Or Policy

Reprinted by American General Life Insurance Company

Important Things to Consider

1. Review your own insurance needs and circumstances. Choose the kind of policy that has benefits that most closely fit your needs. Ask an agent or company to help you.
2. Be sure that you can handle premium payments. Can you afford the initial premium? If the premium increases later and you still need insurance, can you still afford it?
3. Don't sign an insurance application until you review it carefully to be sure all *the* answers are complete and accurate.
4. Don't buy life insurance unless you intend to stick with your plan. It may be very costly if you quit during the early years of the policy.
5. Don't drop one policy and buy another without a thorough study of the new policy and the one you have now. Replacing your insurance may be costly**.**
6. Read your policy carefully. Ask your agent or company about anything that is not clear to you.
7. Review your life insurance program with your agent or company every few years to keep up with changes in your income and your needs.

Buying Life Insurance

When you buy life insurance, you want coverage that fits your needs.

First, decide how much you need - and for how long - and what you can afford to pay. Keep in mind the major reason you buy life insurance is to cover the financial effects of unexpected or untimely death. Life insurance can also be one of the many ways you plan for the future.

Next, learn what kinds of policies will meet your needs and pick the one that best suits you.

Then, choose the combination of policy premium and benefits that emphasizes protection in case of early death, or benefits in case of long life, or a combination of both.

It makes good sense to ask a life insurance agent or company to help you. An agent can help you review your insurance needs and give you information about the available policies. If one kind of policy doesn't seem to fit your needs, ask about others.

This guide provides only basic information. You can get more facts from a life insurance agent or company or from your public library.

What About the Policy You Have Now?

If you are thinking about dropping a life insurance policy, here are some things you should consider:

- If you decide to replace your policy, don't cancel your old policy until you have received the new one. You then have a minimum period to review your new policy and decide if it is what you wanted.
- It may be costly to replace a policy. Much of what you paid in the early years of the policy you have now, paid for the company's cost of selling and issuing the policy. You may pay this type of cost again if you buy a new policy.
- Ask your tax advisor if dropping your policy could affect your income taxes.
- If you are older or your health has changed, premiums for the new policy will often be higher. You will not be able to buy a new policy if you are not insurable.
- You may have valuable rights and benefits in the policy you now have that are not in the new one.
- If the policy you have now no longer meets your needs, you may not have to replace it. You might be able to change your policy or add to it to get the coverage or benefits you now want.

- At least in the beginning, a policy may pay no benefits for some causes of death covered in the policy you have now.

In all cases, if you are thinking of buying a new policy, check with the agent or company that issued you the one you have now. When you bought your old policy, you may have seen an illustration of the benefits of your policy. Before replacing your policy, ask your agent or company for an updated illustration. Check to see how the policy has performed and what you might expect in the future, based on the amounts the company is paying now.

How Much Do You Need?

Here are some questions to ask yourself:

- How much of the family income do I provide? If I were to die early, how would my survivors, especially my children, get by? Does anyone else depend on me financially, such as a parent, grandparent, brother or sister?
- Do I have children for whom I'd like to set aside money to finish their education in the event of my death?
- How will my family pay final expenses and repay debts after my death?
- Do I have family members or organizations to whom I would like to leave money?
- Will there be estate taxes to pay after my death?
- How will inflation affect future needs?

As you figure out what you have to meet these needs, count the life insurance you have now, including any group insurance where you work or veteran's insurance. Don't forget Social Security and pension plan survivor's benefits. Add other assets you have: savings, investments, real estate and personal property. Which assets would your family sell or cash in to pay expenses after your death?

What Is the Right Kind of Life Insurance?

All policies are not the same. Some give coverage for your lifetime and others cover you for a specific number of years. Some build up cash values and others do not. Some policies combine different kinds of insurance, and others let you change from one kind of insurance to another. Some policies may offer other benefits while you are still living. Your choice should be based on your needs and what you can afford.

There are two basic types of life insurance: term insurance and cash value insurance. Term insurance generally has lower premiums in the early years, but does not build up cash values that you can use in the future. You may combine cash value life insurance with term insurance for the period of your greatest need for life insurance to replace income.

Term Insurance covers you for a term of one or more years. It pays a death benefit only if you die in that term. Term insurance generally offers the largest insurance protection for your premium dollar. It generally does not build up cash value.

You can renew most term insurance policies for one or more terms even if your health has changed. Each time you renew the policy for a new term, premiums may be higher. Ask what the premiums will be if you continue to renew the policy. Also ask if you will lose the right to renew the policy at some age. For a higher premium, some companies will give you the right to keep the policy in force for a guaranteed period at the same price each year. At the end of that time you may need to pass a physical examination to continue coverage, and premiums may increase.

You may be able to trade many term insurance policies for a cash value policy during a conversion period - even if you are not in good health. Premiums for the new policy will be higher than you have been paying for the term insurance.

Cash Value Life Insurance is a type of insurance where the premiums charged are higher at the beginning than they would be for the same amount of term insurance. The part of the premium that is not used for the cost of insurance is invested by the company and builds up a cash value that may be used in a variety of ways. You may borrow against a policy's cash value by taking a policy loan. If you don't pay back the loan and the interest on it, the amount you owe will be subtracted from the benefits when you die, or from the cash value if you stop paying premiums and take out the remaining cash value. You can also use your cash value to keep insurance protection for a limited time or to buy a reduced amount without having to pay more premiums. You also can use the cash value to increase your income in retirement or to help pay for needs, such as a child's tuition without canceling the policy. However, to build up this cash value, you must pay higher premiums in the earlier years of the policy. Cash value life insurance may be one of several types; whole life, universal life and variable life are all types of cash value insurance.

Whole Life Insurance covers you for as long as you live if your premiums are paid. You generally pay the same amount in premiums for as long as you live. When you first take out the policy, premiums can be several times higher than you would pay initially for the same amount of term insurance. But they are smaller than the premiums you would eventually pay if you were to keep renewing a term policy until your later years.

Some whole life policies let you pay premiums for a shorter period such as 20 years, or until age 65. Premiums for these policies are higher since the premium payments are made during a shorter period.

Universal Life Insurance is a kind of flexible policy that lets you vary your premium payments. You can also adjust the face amount of your coverage. Increases may require proof that you qualify for the new death benefit. The premiums you pay (less expense charges) go into a policy account that earns interest. Charges are deducted from the account. If your yearly premium payment plus the interest your account earns is less than the charges, your account value will become lower. If it keeps dropping, eventually your coverage will end. To prevent that, you may need to start making premium payments, or increase your premium payments, or lower your death benefits. Even if there is enough in your account to pay the premiums, continuing to pay premiums yourself means that you build up more cash value.

Variable Life Insurance is a kind of insurance where the death benefits and cash values depend on the investment performance of one or more separate accounts, which may be invested in mutual funds or other investments allowed under the policy. Be sure to get the prospectus from the company when buying this kind of policy and STUDY IT CAREFULLY. You will have higher death benefits and cash value if the underlying investments do well. Your benefits and cash value will be lower or may disappear if the investments you chose didn't do as well as you expected. You may pay an extra premium for a guaranteed death benefit.

Life Insurance Illustrations

You may be thinking of buying a policy where cash values, death benefits, dividends or premiums may vary based on events or situations the company does not guarantee (such as interest rates). If so, you may get an illustration from the agent or company that helps explain how the policy works. The illustration will show how the benefits that are not guaranteed will change as interest rates and other factors change. The illustration will show you what the company guarantees. It will also show you what *could* happen in the future. Remember that nobody knows what will happen in the future. You should be ready to adjust your financial plans if the cash value doesn't increase as quickly as shown in the illustration. You will be asked to sign a statement that says you understand that some of the numbers in the illustration are not guaranteed.

Finding a Good Value in Life Insurance

After you have decided which kind of life insurance is best for you, compare similar policies from different companies to find which one is likely to give you the best value for your money. A simple comparison of the premiums is not enough. There are other things to consider. For example:

- Do premiums or benefits vary from year to year?
- How much do the benefits build up in the policy?
- What part of the premiums or benefits is not guaranteed?
- What is the effect of interest on money paid and received at different times on the policy?

Remember that no one company offers the lowest cost at all ages for all kinds and amounts of insurance. You should also consider other factors:

- How quickly does the cash value grow? Some policies have low cash values in the early years that build quickly later on. Other policies have a more level cash value build-up. A year-by-year display of values and benefits can be very helpful. (The agent or company will give you a policy summary or an illustration that will show benefits and premiums for selected years.)
- Are there special policy features that particularly suit your needs?
- How are non-guaranteed values calculated? For example, interest rates are important in determining policy returns. In some companies increases reflect the average interest earnings on all of that company's policies regardless of when issued. In others, the return for policies issued in a recent year, or a group of years, reflects the interest earnings on that group of policies; in this case, amounts paid are likely to change more rapidly when interest rates change.

NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA
LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted *in the box* below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. *On the back of this page* is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange;
- They acquired rights to receive payments through a structure settlement factoring transaction.

The association also does not provide coverage for:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed the average rate specified in the law;
- Dividends;
- Experience or other credits given in connection with the administration of a policy by a group contractholder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered;
- A policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out as follows:

(1) The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.

(2) Except as provided in (3) (4) and (5) below, the guaranty association will pay a maximum of $300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.

(3) The guaranty association will pay a maximum of $500,000 with respect to a health benefit plan.

(4) The guaranty association will pay a maximum of $1,000,000 with respect to the payee of a structured settlement annuity.

(5) The guaranty association will pay a maximum of $5,000,000 to any one unallocated annuity contract holder.
